Alongside global players, the Bavarian life sciences scene is characterised by small and medium sized enterprises. Their scientific prowess makes them leaders in Europe.

## Your digital start-up centres

### About

Just around the corner from Audi headquarters and two high-profile universities, brigk offers modern coworking facilities and lab space.

With its location in the middle of the Science Park Würzburg the IGZ is the ideal place for small enterprises that conduct application-oriented research, development, manufacturing or provide innovative services.

At ITC1, founders, start-ups and young companies meet already established high-tech companies. In addition, the Innovations Technology Campus offers a high-quality infrastructure, a crosssector network and actively promotes innovation. It aims to support digital start-ups.
