Welcome to Bavaria.

Shaping ways of
preventing Cybercrime.

Meet high-class research, top industry partners and highly qualified talent.

Bavaria boasts a thriving tech ecosystem, with major global players and big cybersecurity corporates that engage in cybersecurity innovation. Networks, renowned universities and research institutions collaborate to ensure optimum technology transfer from basic research to practical application.

Diverse Business Opportunities

Bavaria offers outstanding business opportunities due to a unique cybersecurity ecosystem with the presence of major IT companies, SMEs, startups, universities and research institutions.

Research

Bavaria actively supports research in cybersecurity, for example the Bundeswehr University with the CODE project and the interdisciplinary association ForDaySec, which addresses security in everyday digitization and is funded with 3.3m €.

Global Perspective

Major events, like the Munich Security Conference, the Munich Cyber Security Conference (MCSC) and it-sa in Nuremberg, result in world-class cybersecurity corporates.

**Bavarian
Cybersecurity
Ecosystem**

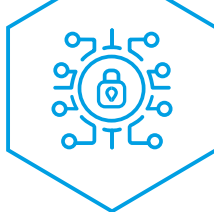

Effective Networks

Bavaria provides a varied number of networking platforms that drive crossindustry innovation.

Efficient Cybersecurity Architecture

Six Bavarian state institutions are part of the Bavarian Cyber Defense, which cooperate to counter the constantly growing cyber threats.

Access to Talent

Bavaria is an ideal breeding ground for young talent in the field of cybersecurity, thanks to its renowned universities.

€18 m

of damage caused in Bavaria
by cybercrime (2023)

>16 k

investigation proceedings of
cybercrime activities in Bavaria (2023)

€11 bn

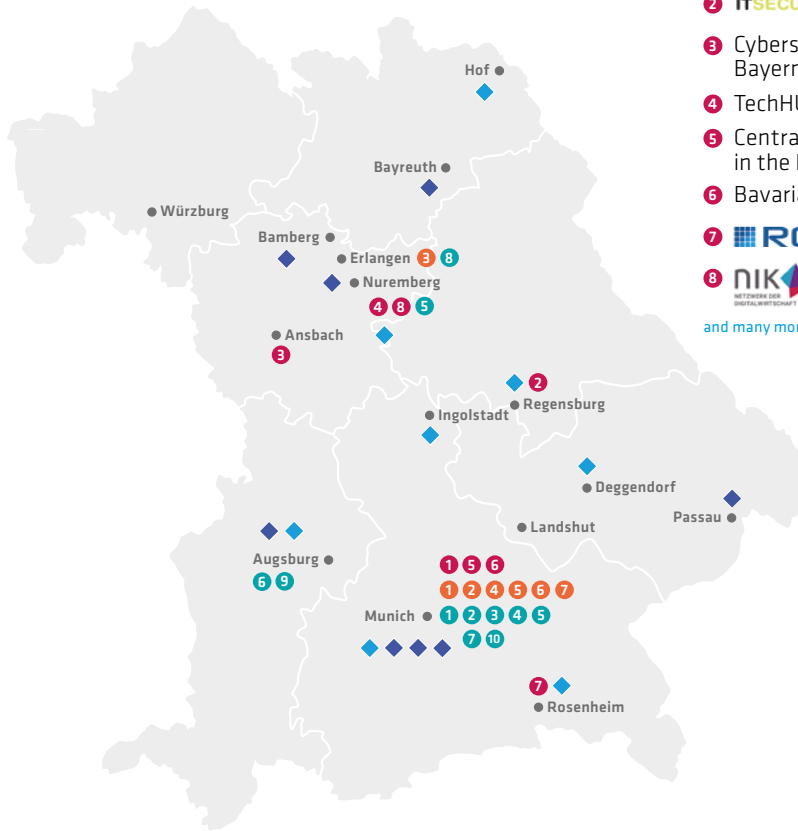

will be the estimated expenditure for
cyber security in Germany by 2025

We help you to benefit from Bavaria's Cybersecurity Ecosystem.
