

# Gaming/XR

Bavaria is the ideal location for start-ups in the gaming industry, with unmatched technical infrastructure, the diverse range of companies and well-trained talents.

## Your digital start-up centres

## LAGARDE1

### About

At ITC1, founders, start-ups and young companies meet already established high-tech companies. In addition, the Innovations Technology Campus offers a high-quality infrastructure, a crosssector network and actively promotes innovation. It aims to support digital start-ups.

Lagarde1 is the right spot for digital natives with new business ideas who are looking for a technophile community. It's digital culture - made in Bamberg.

ZDI Mainfranken is at the intersection between science and business, and offers a maker space for developing and testing your prototype.
